Fish Darwin's 1/2 Day Fishing and Harbour Tour

Morning Tours, Afternoon Tours & Sunset Tours

The actual departure times change every day with the change of tide for the best fishing opportunity, so just give us a call or send an email to find out the departure times on any particular date.

Where do we fish?

We move about the historic wrecks and reefs of Darwin Harbour (which is massive, many times the size of Sydney Harbour) - your actual destination depends on the tides, weather conditions and where the fishing are biting!

What do we target?

A mixture of bottom dwellers and pelagic species such as black jewfish, golden snapper, Spanish mackerel, queenfish, long-tail tuna, Spanish flag, javelin fish, giant trevally and blue boned tusk fish.

What fishing gear do we use?

Daiwa reels with Ugly Stick rods. We provide pilchard and squid bait and use circle hooks which allows fish to be released.

What's the boat like?

You will be on either one of two boats:

Dolphin Diver is a 33 foot boat and Northern Exile is a 46 foot boat. Both have a large walk around fishing deck, a shade canopy, comfortable seating, rod holders, a flushing toilet and the latest in marine navigation and safety technology.

What else is provided?

Your crew will cook up a delicious "Territory Style" barbeque for you out on the Harbour. Entrée is marinated prawn skewers which is followed by crocodile burgers served with salads, cheese and fresh bread. We can also cook up the catch of the day!

There is iced water and tea/coffee on board and a large iced esky for your drinks.

What do you need to bring?

Just your hat, sunglasses, sunscreen, camera and soft drinks or alcohol.

Can I take my fish home?

Yes, we do promote catch and release but are happy for you to take home some dinner! Your crew will clean and fillet your catch and provide fish bags and ice for you.

Where do we depart?

The Cullen Bay Ferry Terminal, which is the jetty that is outside the Lock at the end of Cullen Bay Marina. It is 5 minutes drive from Darwin City centre and has free parking all day. Please arrive 15 minutes early.
